

LifeSkillsTherapy

Does your child need help with Social Skills?

Life Skills Therapy is happy to be offering social skills training classes! Through social skills lessons and play we help kids develop the necessary skills to build social relationships. Our facilitators are speech pathologists with training on social skill development. We have classes for 4-5 year olds, 6-8 year olds, older kids, and more! Individual lessons are available as well!

What we work on:

Thinking socially and developing social skills that reach across all ages and settings:

- Reading Social Cues
- Build Relationships
- Seeing Things from Another's Perspective
- Social Anxiety
- Asking and Answering During a Conversation
- Making and Keeping Friends

CLASSES HAPPEN BI-WEEKLY
