

LifeSkillsTherapy

Is your Child Struggling Socially?

Life Skills Therapy is now offering in person and virtual social skills classes! The classes are designed to help children learn how to think socially and interact successfully with peers, classmates, teachers, and community members. We want to help your child become more successful in making and developing friendships. Call us today to get enrolled in a class and help us to help your child become a more successful social thinker!

Class Times and Locations:

We Rock the Spectrum Woodlands Tuesdays at 4:00 p.m. (class age to be determined) and 5:00 p.m. virtually for 12 to 15 year olds (including monthly in-person meetups!)

We Rock the Spectrum Memorial at I-10 and Wirt Wednesdays at 4:00 p.m. for 4 to 7 year Olds, and 5:00 p.m. (class age to be determined)

Nurture Pediatrics (2nd floor office space) on Thursdays at 4pm.

Classes begin in September and we offer rolling admissions for people to come mid semester if needed. Classes are \$125 per session and are led by licensed speech pathologists with extensive special training in social skills.
